

An official partnership between Macomb, Oakland, Wayne Counties and the City of Detroit, this organization was created to seize defense industry economic opportunities in Southeast Michigan

DETROIT

Regional Defense Coalition

the DRDC's structure

- A Coalition of public and private industry partners.
- Funded by member organizations and governments.
- Leadership provided by volunteer Board of Directors overseeing a full-time Executive Director.
- Complimentary to State-level and local entities such as the Office of Defense and Aerospace Innovation (ODAI), the Michigan Economic Development Corporation (MEDC), the Arsenal Alliance, NDIA, WID, AUSA, AFA and others

Strategic Goals

- Attract additional defense industry investment.
- Coordinate responses to defense-related opportunities in the Detroit region.
- Assist businesses in competing for defense contracts.
- Increase defense-related workforce.
- Conduct economic analyses, policy analyses, and champion changes.

is a 501c6 that ensures membership privileges and allows state and federal lobbying and advocacy for our supply chain (small and medium companies), Prime Contractors and military assets. Working to strengthen policy to support and grow companies and the region
